Vintner's Cellar

BEDFORD — Renate Wallem has opened Vintner's Cellar of Bedford, a custom winery at Sebbins Brook Market Place, 410 South River Road.

The winery and retail store, the third in New England and second in New Hampshire for the Michigan-based franchise company, makes more than 25 varieties of wine for patrons to sample, buy or make themselves.

Customers can taste and make wine, book private wine tasting parties, and create their own custom labels for personal collections or as gifts.

The Bedford store (www.vintnerscellarnh.com) is the 40th Vintner's Cellar franchise to open in the United States.
